Quick Setup Guide

Product features

- Designed for use with DJ Hero™ turntables for PlayStation®2, PlayStation®3, Xbox 360®, and Wii™
- Made of sturdy, durable material
- Adjustable stand provides two height levels
- Easy assembly

Setting up the stand

1 Hold the stand feet upright.

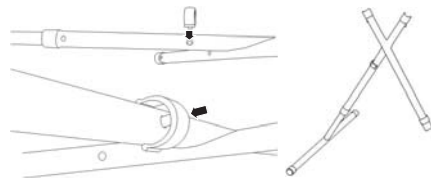

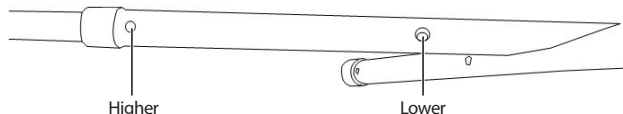

2 Insert one stand foot into the longer arm on the center crossbar.

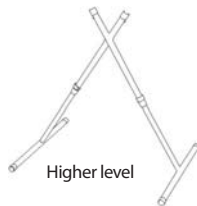

3 Locate the two holes on the center crossbar. These holes determine the height of the stand.

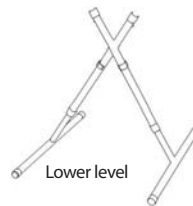

4 Align the two holes in the crossbar with the holes in the feet to set the height, then insert a bolt clip through each of the holes.

5 Repeat Steps 1 through 4 to attach the second stand foot.

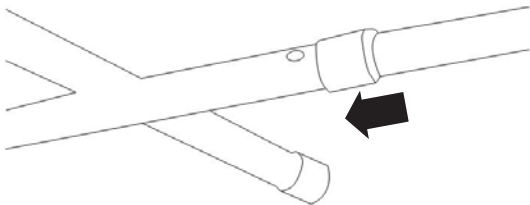

Higher level

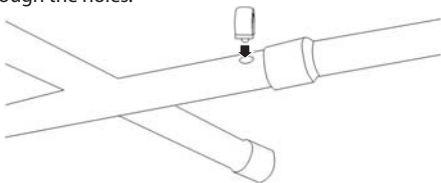

Lower level

6 Insert a top cradle bar into one of the shorter arms on the center crossbar.

7 Align the holes on the top cradle bar and crossbar, then insert a bolt clip through the holes.

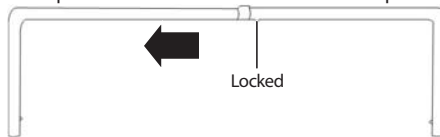

8 Repeat Steps 6 and 7 to attach the other top cradle bar.

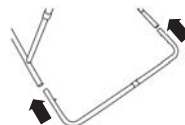

9 Snap the top supports onto the cradle bars. Make sure that the rounded clips on the supports are on top of the cradle bars.

10 Slide out the pole on the base bar until it locks into place.

11 Insert the base bar into the stand feet until it locks into place.

12 Place the turntable on the stand.

CAUTION: This stand is intended only for use with a DJ Hero™ turntable accessory. Using the stand for other products or objects, particularly those weighing more than 15 pounds, may result in instability, which may cause injury. When the turntable is on the stand, do not lift the stand by the posts.
